

The IMSA Great Minds Program®

"Leading for a Change"

A Leadership Symposium for Illinois Mathematics and Science Academy Students Co-sponsored by the IMSA Great Minds Program®

January 31, 2001

Student Leadership Development at IMSA is committed to fostering and promoting students as ethical leaders. Our students are currently serving their communities in many substantial ways and we look forward to a better world as they continue to grow and their contributions broaden to the global community. They will lead our society to into a better future in the twenty-first century.

Keynote Speaker: Senator Paul Simon

Time: 3:00 - 3:45 PM

Location: IMSA Auditorium
