

ILLINOIS MATHEMATICS AND SCIENCE ACADEMY

SECTION G  
PERSONNEL

**ELECTRONIC COMMUNICATIONS WITH STUDENTS**

Academy employees who use personal technology and social media shall maintain the high standards for appropriate school relationships expected by the Board of Trustees and addressed specifically in the Academy's *"Expectations for Communicating Electronically with Students"* guidelines.

On a regular basis, the President/designee will review these expectations, approve any changes as necessary, and provide staff with a copy and reminder of the importance of adhering to the guidelines. Employees who violate these guidelines will be subject to disciplinary action up to and including termination of employment.
