

Illinois Mathematics and Science Academy

Expenditures Guidelines

As a State agency, the Illinois Mathematics and Science Academy is held to a high level of accountability for its business practices. Accordingly, every reasonable effort should be made to ensure that all Academy funds are used in a responsible and appropriate manner. The consequences of our failure to do so may include payments denied by the Office of the Comptroller, audit findings, or other State sanctions. The allowability of expenditures is established by federal law, State statute, Academy policy, donor restrictions, and good business practices, as modeled by other State entities.

Below is information regarding the allowability of certain Academy expenditures, depending on the types of expenses, recipients, circumstances, and funding sources. These guidelines reflect those expenditures currently receiving the greatest scrutiny by the State, and they are subject to change, particularly given the State's current financial situation. **Please contact the Business Office with any questions regarding the allowability of these or any other questionable expenditures prior to creating requisitions.**

Note: IMSA is a tax exempt institution and is not required to pay Illinois sales tax on its purchases. An individual making a cash purchase for an approved Academy business purpose should present a copy of IMSA's tax exempt letter to the vendor and request that sales tax not be assessed. IMSA reserves the right to deduct the amount of any sales tax paid when reimbursing individuals for cash purchases. IMSA's sales tax exemption letter is located on the IMSA website at <https://www.imsa.edu/employees/businessoffice>.

If expenditures are permissible per the expenditure guidelines and the purchase is in direct support of academy or student club activities, then the funds should be awarded to IMSA rather than having the IMSA fund pay directly. This is in an effort to capture all of the academy's expenses for reporting purposes.

Expense Type	Recipients	Circumstances	EAF	Permitted Funding Source(s)		SPTF * (Grants)	Important Comments
				Income Fund	Locally Held Fund		
1. Meals and refreshments	Academy employees only	On-campus business meetings				X	This is discouraged as a rule and should be done out of necessity. A Cabinet member’s approval is strongly recommended. This should be paid directly through IMSA as an academy expense. (not through IMSA Fund)
2. Meals and refreshments	Academy employees only	Off-campus business meetings (e.g., team planning retreats)				X	Prior President or Cabinet member’s approval is strongly recommended. This should be paid directly through IMSA as an academy expense. (not through IMSA Fund)
3. Meals and refreshments	Academy employees only	Community gatherings				X	
4. Meals and refreshments	Guests and Academy employees	Business meetings, recruiting, guests providing free services, etc.	X	X	X	X	Depending on nature of event and number of Academy employees. EAF, Income and Local Funds should not be used if the vast majority of attendees are IMSA or state employees.
