

## 2024-2025 IMSA Strategic Excellence Dashboard

North Star: Elevating IMSA everywhere through accessibility and sustainability

TARGET: JUNE 30, 2025

The strategic excellence dashboard is a tool used by the IMSA Cabinet to gauge strategic progress in its 10-year plan, IMSA 2033. Targets are intended to be challenging as we strive to advance IMSA's vision. We will provide an update each month as part of the president's Board report.
